Open to the Floor:

Questions regarding: Data Center information brought to the floor by concerned residents as more information is available it will be brought to the residents. Advised to attend meetings in Granite City and surrounding areas to gather information. All concerns are being considered, and our Township is working on keeping information out to the public as we acquire it.

Questions regarding: Several properties that have been reported to Madison County still nothing is being done with leaving concern of danger to the residents. Ally ways being used as roadways will be investigated. 669 Barkley, our Township Attorney, is working on a solution. 5353 Maryville Road has been filling in water drainage area and advised this is a state roadway, but the road commissioner will investigate it. Sidewalks on the west side of Chain of Rocks Road are still in the working stages.
